February 4, 2016

On, Thursday, March 10, 2016, True North Church A/G is holding it's 1st Annual Fundraising Banquet - "Extraordinary Future".

True North Church A/G is emerging as a voice and a leading example of community compassion and improvement that seeks to provide for human need from a multi-faceted approach such as, partnering with the local schools and churches to provide weekend meals for children, providing food for struggling individuals and families, hot meals for those with inadequate supply, non-residential and residential addiction recovery, housing for those going without, support for single and teen Mothers, marriage, relationship and family strengthening initiatives, mentoring, a place to belong, a purpose for every individual life and so much more.

With campuses in Minerva, Lisbon and a "campus without walls" coming soon to Canton, we are striving to see lives changed throughout, Stark, Carroll and Columbiana Counties.

The Banquet will be held at the Minerva Community Building at 6:30 PM.

I, as Lead Pastor of True North Church A/G and Bishop David Thomas of Victory Christian Center - Youngstown, will share the EXTRAORDINARY VISION of True North Church A/G at the banquet, which will be complimentary.

Our hope is that you would be a "Table Host" for us. This will not include serving food or doing dishes, but inviting at least seven community-minded and influential people per table to accompany you to the Banquet. Thank you for your consideration.

Sincerely,

Pastor Dave Kidd
Lead Pastor - True North Church A/G
